

Suratul Masad

In the Name of Allah, the Most
Gracious, the Most Merciful

Perish the two hands of Abu Lahab
(an uncle of the Prophet [sal-Allahu
'alayhi wa sallam]) and perish he!
(III:01)

His wealth and his children will not
benefit him! (III:02)

He will be burnt in a Fire of blazing flames! (III:03)

And his wife too, who carries wood (thorns of Sa'dan which she used to put on the way of the Prophet [sal-Allahu 'alayhi wa sallam], or used to slander him). (III:04)

In her neck is a twisted rope of
Masad (palm fiber). (III:05)
